(Through the Deputy Commissioner, Chitaldrug District.)

Sir,

I have the honour to state that the Standing Committee of the Chitaldrug District Board proposed the disposal of various musafirkhanas and Travellers' Bungalows of the District for ~~various~~ various other purposes with a view to minimise the recurring expenditure and also to use the buildings to serve better purposes. The list so proposed was adopted for individual consideration by the District Board at their meeting held on 5th February 1938. Out of the above the major portion of the musafir-khana building at Hiriyur is already kept at the disposal of the Health Department for the last 2 or 3 years. As there is the likelihood of starting a health centre at the place, it was decide by the Board to hand over the entire building to the Health Department. The Director of Health in Mysore who was consulted in the matter ~~asked~~ as to his willingness or otherwise to have entire building, he has expressed his willingness to have the same through his letter No.C.1877-4, dated the 30th Mar.1938.

The question was thereupon placed before the District Board at their meeting held on 7th and 8th May 1938 at Molakal-muru. They were pleased to resolve that the building may be handed over to the Health Department.

Under the above circumstances I request you to kindly obtain

obtain early orders of Government permitting the District Board to hand over the entire building of the Musafirkhana at Hiriyur to the Health Department as per resolution of the Board.

Extract from the proceedings of the District Board is herein enclosed for ready reference.
